2015 FPACC Bi-National Business Conference: Bridging Trans-Pacific Commerce in a Changing World

San Francisco, California --- August 25, 2015 --- On November 6 to 8, 2015, the Federation of Philippine American Chambers of Commerce (FPACC) will commemorate and celebrate its 19th year anniversary at the 2015 FPACC Bi-National Business Conference, a.k.a. Federation 2015, which will be held at the Monte Carlo Hotel & Casino in Las Vegas, Nevada. The organizers of the biennial, bi-national gathering of members from various Filipino American Chamber organizations and business communities in the USA and the Philippine Chamber of Commerce and Industry (PCCI) expect to enhance and strengthen the organization's volunteer work in "Bridging Trans-Pacific Commerce in a Changing World", which is also the conference's theme. Federation 2015's partner and collaborator is FPACC Foundation Inc. while the co-hosts are the Las Vegas Filipino American Chamber of Commerce and the Filipino American Chamber of Commerce of Greater Nevada.

Federation 2015 promises an exciting, engaging, and timely general program with moderated business-to-business (B2B) interactions and transactions, idea exchanges, networking, and memorandums of understanding interwoven throughout the 2-1/2 days' activities. The program opens with the "Women's Entrepreneurial Summit" on Friday, which also includes home-based entrepreneurs, a trade show exhibit that is open to the public for two days, and an evening welcome reception. The Saturday morning program is dedicated to US-based business and economic matters while the afternoon session is focused on Philippine and international topics of interest, highlighted by a formal evening gala event. FPACC's biennial election of its officers and board members will also take place during the conference. The Sunday morning session is scheduled to showcase the memorandums of understanding among the conference's bi-national and domestic business stakeholders and present the incoming board of directors' strategic plans.

Monte Carlo Hotel & Casino is located at 3770 Las Vegas Boulevard South, Las Vegas, Nevada. Registration and hotel booking information are found at <http://FPACC.net> and http://fpachamber.com/FED_2015_Bi-National.html. Register online at <http://tinyurl.com/federation2015>.
